

2018 Annual Report

Dear Friends,

It has been a while since we shared a newsletter with you, the team has been busy putting together our annual report which showcases the work we carried out in 2018 , thanks to your support.

As you will read in the report, 2018 was a year of change for KWT: the merger of our Mara lion and Mara cheetah projects into one long-term conservation commitment - The Mara Predator Conservation programme, and a mid-term review of our 2016-2020 Strategic Plan. "Predators, People and Partnerships", our new pillars will position us as thought leaders in Kenya's conservation sector.

We look forward to a successful 2019 and continued engagement with you, our supporters.

We wish you a happy Easter break.

With warm wishes,

Irene Amoke
